BENTLEY

PRESENTING

YOUR BENTLEY
BENTAYGA EWB V8

YOUR PAINT

White Sand - by Mulliner

White Sand was the launch colour for the Continental Flying Spur. A silky, creamy colour, it is created by blending two hues to a warm finish. This light metallic Mulliner Paint with a hint of earthier tones is equally adept at showcasing the sculptural forms of today's Bentleys.

YOUR INTERIOR

Colour Split - E in Linen and Burnt Oak

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Bentayga are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Grand Black

A deep, mirror-like black finish applied to Dark Fiddleback Eucalyptus veneer, Grand Black is reminiscent of the impressive grand piano. A lustrous jewel finish, the deep colour complements and reflects the elaborate detail of your Bentley. Hand finished and highly technical Grand Black is the ultimate statement of modernism.

YOUR WHEELS

22" Five Spoke Directional Wheel - Black Painted

The largest wheels ever made available on a production Bentley, these wheels are machined from a high-strength aluminium forging for optimum strength and lightness. The wheels are handed, ensuring the spokes always face the same direction on both sides of the car.
