BENTLEY

PRESENTING

YOUR BENTLEY
CONTINENTAL GTC
SPEED W12

YOUR PAINT

White Sand- By Mulliner

White Sand was the launch colour for the Continental Flying Spur. A silky, creamy colour, it is created by blending two hues to a warm finish.

YOUR INTERIOR

Colour Split - E in Linen and Burnt Oak

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Continental are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Piano Linen over Grand Black

With even more emphasis on craftsmanship, a dual veneer feature has been created to give discerning customers the choice to bring one of seven highlighted veneers together with Grand Black. The highlight veneer is applied to the upper fascia, with Grand Black applied to the console and lower fascia. The dual veneer is split by a beautiful chrome strip running the length of the fascia and into the doors.

YOUR WHEELS

22" Speed Wheel - Black Painted

A forged 10-spoke wheel, with a contemporary and dynamic aesthetic, highlighting the pinnacle performance position of the Continental GT Speed. The exclusive high gloss black finish perfectly complements the blackline specification.
