BENTLEY

PRESENTING

YOUR BENTLEY NEW
FLYING SPUR SPEED V8
HYBRID FIRST EDITION

Spectre over Extreme Silver

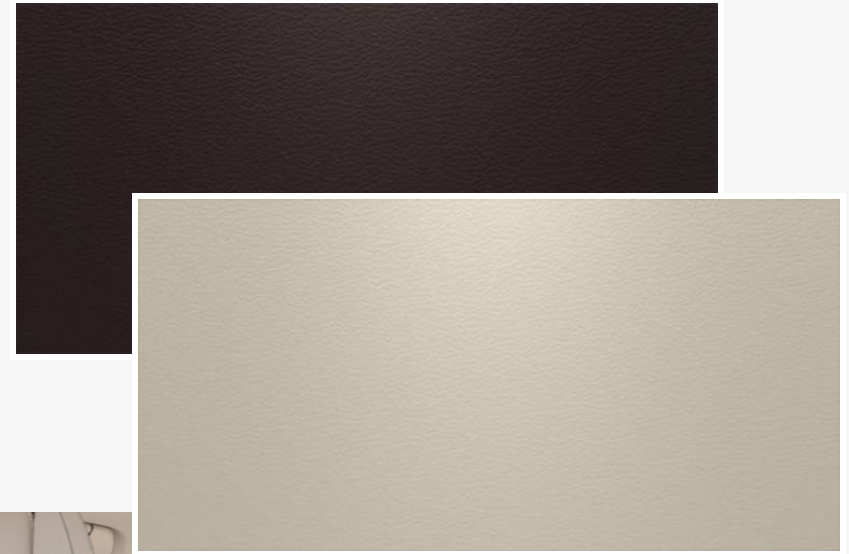

Duo-tone paint finishes offer customers the opportunity to create an even more distinctive exterior and make their Flying Spur distinctly their own. The Bentley Colour and Trim team have specially combined Spectre over Extreme Silver to accentuate the styling lines and provide the perfect canvass for the Flying Spur.

YOUR INTERIOR

Colour Split - B in Linen and Burnt Oak

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Continental are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Piano Linen over Grand Black

With even more emphasis on craftsmanship, a dual veneer feature has been created to give discerning customers the choice to bring one of nine highlighted veneers together with Grand Black. The highlight veneer is applied to the upper fascia, with Grand Black applied to the console and lower fascia. The dual veneer is split by a beautiful chrome strip running the length of the fascia and into the doors.

YOUR WHEELS

22" Speed Wheel - Black Painted

A forged 10-spoke wheel, with a contemporary and dynamic aesthetic, highlighting the pinnacle performance position of the Flying Spur Speed. The exclusive high gloss black finish perfectly complements the blackline specification.
