BENTLEY

PRESENTING

YOUR BENTLEY FLYING
SPUR MULLINER W12

YOUR PAINT

White Sand- By Mulliner

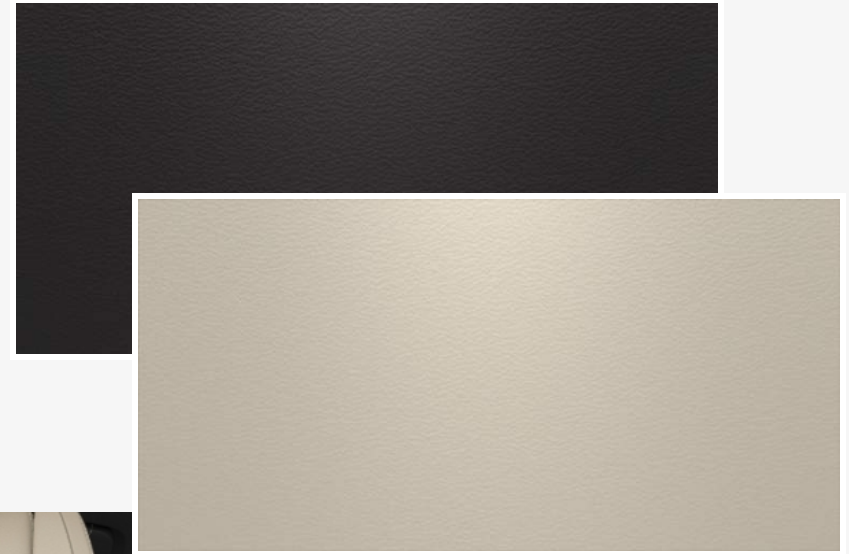

White Sand was the launch colour for the Continental Flying Spur. A silky, creamy colour, it is created by blending two hues to a warm finish.

YOUR INTERIOR

Mulliner Bespoke Interior in Linen and Beluga

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Continental are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Grand Black with Diamond Milled Console

Emblazoned on the Grand Black Veneer fascia is a Chrome overlay of the vehicle silhouette – a symbol of its exclusivity within the Bentley range, and a detail that charms occupants on first sight. Chrome Bentley 'B' overlays in the waistrails and a captivating all-new Diamond Milled Technical Finish on the centre console are unique to this exclusive derivative, creating an intricate and tactile dashboard that is so striking, it creates a sense of elevation, made possible only by the hands of Bentley Mulliner. Rear Grand Black picnic tables these include a Diamond inspired chrome overlay design, which is a 2D reflection of the 3D diamond technical finish on the centre console.

YOUR WHEELS

22" Mulliner Wheel Black Painted with Self Levelling Wheel Badge

Inspired by Mulliner to give an infusion of luxury and performance to create the ultimate pinnacle wheel and keeps the family signature look. Fully black painted finish with self-levelling wheel badges that includes the Bentley B and has Mulliner branding in the chrome bezel.
