### Exterior

Aston Martin's principles of purity and beautiful proportion remain uncompromised. While V12 Vantage adorns a unique wide body design, echoes of the magnificent bloodline have been maintained. Sculptural forms create an athletic predatory stance, while muscular flanks and broad haunches express the agility and dynamism inherent to the car.

### Interior

The V12 Vantage interior is one of absolute focus and functionality. Combining luxury materials with a driver focused cockpit provides a truly immersive experience. Controls like the sport-oriented gearshift paddles are optimally positioned. Likewise, the gear selection buttons are uniquely placed in the centre console, with the Aston Martin Audio System, 8" LCD screen and integrated satellite navigation all impressively reconfigured around the driver.

This configurator is not an offer to sell and is merely an indication of the types of Aston Martin vehicles, options or accessories which may be available from time to time and which may be ordered or purchased from an authorised Aston Martin dealer. Any purchase is subject to the terms and conditions of sale (including price) issued by the particular dealer. Any vehicles illustrated may include additional options at the time of any sale that are not featured here. Each vehicle or option described in this document is subject to availability. Features and specifications may vary according to each market. All information in this document is subject to change by Aston Martin without notice. Aston Martin makes no warranties, representations, or guarantees of any kind, express or implied, in relation to the vehicles and options presented including but not limited to, the accuracy, currency, or completeness of the information given in the Aston Martin vehicle configurator.

Official government fuel consumption figures in litres/100km (mpg) for the Aston Martin V12 Vantage: WLTP Low 26.2 (10.8); WLTP Medium 13.3 (21.2); WLTP High 11.4 (24.8); WLTP Extra High 11.8 (23.9); WLTP Combined 13.9 (20.3). WLTP CO2 Emissions 315 g/km (NEDC Combined CO2 - for information only 306 g/km). Urban RDE trip NOx 85.8 mg/km, PN 9e11; Complete RDE trip NOx 85.8 mg/km, PN 9e11. PEMS ID: 09-SCF-2018-0004; TA Number: e9\*715/2007\*2018/1832DG\*1612\*01.

These figures are intended for indicative comparability purposes. The development of the vehicle will shortly be completed and this information is based on a pre-production prototype. The fuel consumption you may achieve under real life driving conditions and CO2 produced will depend upon a number of factors including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. The official figures for this vehicle will be released upon completion of testing.
